WORK EXPERIENCE

FREELANCE MOTION GRAPHICS & DESIGN // DEC 04 - CURRENT

2D After Effects and 3D based motion graphics. Experience in motion design and as a production artist. Designed and implemented several HTML/CSS websites. Shot studio and non-studio photography. Filmed and edited HD video, oversaw web compression and distribution.

MICROSOFT GAME STUDIOS // PHOTOSHOP PRODUCTION ARTIST // APR 08 - JAN 09

Edited and composited geographical elements on satellite imagery for the newest version of Microsoft Flight and Train Simulator. Responsible for version control of thousands of files. Worked with complex masks and custom developed Photoshop actions and tools.

COPIOUS CREATIVE // MEDIA PRODUCTION // FEB 07 - FEB 08

Produced all flash content for several websites, animation for DVD menus, and motion graphics for Copious' demo reel; shot and edited photos of entire product lines; recorded and edited audio for regional radio commercials.

GEORGE FOX UNIVERSITY // SUPPORT TECHNICIAN // AUG 05 - APR 06

Responsible for troubleshooting hardware, software, and networking issues on Macs and PCs; trained customers on how to use multimedia equipment.

SKILLS

- After Effects CS6
- Final Cut Pro
- Cinema 4D R14
- Photoshop CS6
- Illustrator CS6
- Indesign CS6
- Premiere Pro CS6
- Lightroom 3
- Mocha AE
- Soundtrack Pro 3
- DVD Studio 4
- Avid Pro tools

I am proficient with HD workflows, multitrack audio projects, RAW image editing, and preparing content for the web. I have been using OS X since it's initial release. My technical experience allow me to work efficiently on a wide range of projects.

During eight years of SLR photography experience, I have developed a keen understanding of light and composition. I have shot footage on Panasonic HVX200, Sony's HVR line, Canon 5D Mark II and T2i.

I am comfortable working under a Creative Director, or in collaboration with designers and developers.

EDUCATION

OTIS COLLEGE OF ART AND DESIGN // FALL 06

Foundational art program with a focus in Digital Media.
Drawing and Composition, Form and Space, Life Drawing, Visual Culture.

GEORGE FOX UNIVERSITY // 05 - 06

Photography, Video Editing, Mixed Media, Photoshop Seminar and general education courses.
